## 2023 Sunday School

Sunday School at Mt Pleasant includes offerings for the whole family from 9-9:50 AM every Sunday morning.

All classes are Bible-based and reinforce memorizing the Westminster Shorter Catechism in Modern English.

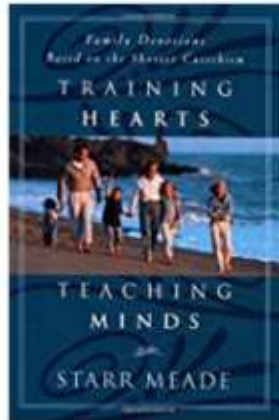

### LET THE CHILDREN COME

At Mt Pleasant, our kids spend their Sunday school time learning the Westminster Shorter Catechism and memorizing God's Word through songs, games, and discussion. Fun tools connect them to each other, to great truth and to the God of the Bible! Meanwhile, adults learn how we can *all* interact with the kids to get them — and keep them! — excited about this learning.

We invite your child to one of our K-12 classes:

- ◊ Age 3-K—Teacher Becky Smeltz
- ◊ 1st-2nd Grade—Teacher Carol Olson
- ◊ 3rd-4th Grade—Teacher Jen DeLong
- ◊ 5th-6th Grade—Teacher Holly Garland
- ◊ Jr/Sr High—Teachers Paul & Brenda Schaefer

Every family in our congregation receives its own copy of "Training Hearts, Teaching Minds", a great interactive family devotional based on the Shorter Catechism. If your home doesn't already practice household worship, this is a great way to start — and it ties in directly with what your children are learning in Sunday School! Enjoy time together and engage your "home team" in learning God's truth.

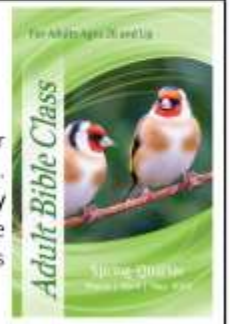

## ADULT Sunday School - Spring Term

Adult classes vary, offering Scripture study and Christian living topics, as well as different learning styles. Adults can also expect each class to be Bible-based and to reinforce memorizing the Westminster Shorter Catechism in Modern English. All adults from post-High School and beyond are welcome in any class.

### Union Gospel Adult Bible Class — Gathering Room

Workbook study with Bill Enders

Union Gospel Curriculum leads adults ages 26+ to a deeper knowledge of Bible truths through detailed lesson exposition. This Spring, learn how **Jesus Pleases His Father: By his works, by his sacrifice, by his teachings**. Inspirational lessons encourage Scripture study and involvement with the material. The class meets year-round; members choose an annual service project.

### The Book of Job — Room 121

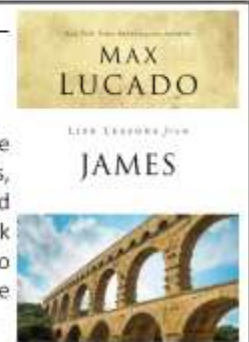

Video & discussion with Craig Lahtinen

Join us for this video series presented by Dr. Derek W.H. Thomas of Ligonier Ministries. Walk through the book of Job and consider what the Bible says about our darkest moments. Address the difficult questions of the relationship between God's sovereignty and the existence of evil, sin, and suffering. The format will include reflection on the previous week's study, a 20-minute video presentation per week, with interactive follow-up discussions about the video.

### Life Lessons from James: Practical Wisdom — Room 123

Group discussion with Joanne Rogers

In his letter, James boldly deals with practical issues of faith. He shows the importance of living a genuine life. He encourages, challenges and confronts, offering constructive words and admonitions to live out our faith. Max Lucado helps unpack some of these themes: God gives true wisdom; Satan wants to break us while God tests us to strengthen us; the words we use are powerful and influential; faith and good deeds go together.

Easter is almost here. As we celebrate the Love God showed us by sacrificing His only Son, we want to give you the opportunity to show your love to someone whose memory or presence you cherish.

It is tradition to decorate our church and sanctuary each year with beautiful Easter Lilies. If you would like to honor someone with a plant, please fill out the order form on the back of this sheet and return it with your payment to the Church Office by March 27<sup>th</sup>. The cost per plant is \$11.

## Adult Nursery Volunteers Needed!

In order to staff the nursery appropriately, we need adult volunteers to step up and help Megan Michael as she cares for the little ones. Megan loves her work in the nursery! She has all her clearances, lots of experience, and does a great job, but in today's culture we really should have 2 people on staff in the nursery each week.

What makes it easy:

- Megan knows the ropes and the regulars very well and has been handling nursery by herself for a while, so being a "helper" should be pretty light work.
- There's already a good support system in place to pull in other help if needed – people are monitoring the situation from inside the sanctuary, and more help is available at the flick of a switch.
- You don't have to miss out on the service! The service is displayed on a TV in the nursery.
- You don't need to be the only helper! Bring along a friend with clearances, or a younger person who is old enough to be really helpful but who isn't old enough to take a turn by themselves.
- Having solid coverage in the nursery can help Megan get a break sometimes to be in the service.
- If tiny ones that are extra special to you will be in town for a week, you can easily schedule that as a week you can help.
- The more people help, the smaller the job is for everyone!

What is needed:

- We need adults and older young folks who are willing to help, even a little bit every once in a while is great!
- If you can't be on the floor playing with babies, can you hold a baby while sitting?
- If you can't change a diaper we can still use your help!
- If you don't have your clearances to work with children, or haven't updated in a while, you may need to apply. We plan to have a lunch one Sunday for volunteers, and we will help people to get or renew their clearances right then!

**To volunteer, please add your name and contact info to the appropriate line below and turn this slip into the church office or put it in the offering plate. Thank you!**

## Volunteers needed for the sound booth!

- We are looking to build the number of people that have a little basic knowledge about how to turn things on in the booth. Learning is not committing to anything beyond watching how to turn things on a couple of times and maybe practicing a bit.
- Also needed are slide turners! This is an easy and very necessary job. It doesn't take a lot of technical knowledge, just knowing when to change the slide and pressing the button. This is a great way for younger folks to get engaged if they would like to.

As the number of people who know a bit about the system grows, we hope some people will be interested in learning more and get good enough to be part of running a small event or worship practice, etc. This could be a great opportunity for some high school age people or even younger to get exposure to technical systems that could help them see whether that might be a good career direction or hobby later on.

**If you're interested or willing at all to know more about how to turn on the system, how things work in the sound booth, or how to support the service by doing slides, video, etc., please add your name and contact info to the line below and turn this slip into the church office or put it in the offering plate. Thank you!**
