

Enjoy God's Creation

These hiking trails (Motorized vehicles are not permitted) are provided for your enjoyment by Mt Pleasant Church and local land owners.

The green trails are suitable for all ages and abilities.

The blue trails are more difficult and involve climbing hills.

The red pipeline has some very steep grades and should only be attempted by those in good physical condition.

Most trails have a sign at both ends pointing to the trail. Some trails are also marked with white paint on trees.

If you get lost go down hill to a stream, and then follow the stream down to Ewing Hill Road.

If you would like a guided tour please contact Bill or Sylvia Kendall at 724.495.7426.
