CITY MISSION
HOPE FOR THE HOMELESS

<https://www.citymission.org/>

Mission Statement

City Mission exists to share Christ, to shelter, to heal, and to restore the homeless to independent living - without discrimination. A person’s descent into homelessness can only be transformed into an ascent into recovery that eliminates the barriers to independent living.

How We Serve

At City Mission, a Christ-centered rehabilitative homeless shelter, we facilitate this transformation by providing food, shelter, case management, biblical based counseling, and life-changing programming. We are dedicated to restoring the whole person through a Christ-centered approach that expresses God’s love for them.

Our goal is to help each person that comes to City Mission to move from a life in crisis to a thriving life that is achieved through our broad spectrum of services and connections to community resources to ensure sustained recovery leading to independent living.

(Offering boxes are located on the table as you enter the sanctuary.)
