An Invitation from Beth Knapp, Wycliffe Bible Translators...

This year marks 35 years of our SIL* team's presence and work in the Central African Republic! We plan to celebrate this anniversary with a time to thank the Lord for all he's done during this time. In the past 35 years we and our partners have completed the entire Bible in one Central African language plus New Testaments in seven other languages of CAR. Currently, three Old Testament translations and 15 New Testament translations are in progress, and another six languages are just starting vision-sharing and mobilization in their communities in preparation for future translation work. **We would like to invite you to celebrate the past 35 years with us, joining us online!** You can join us either on Saturday, April 26 or on Friday, May 2. Please see the invitation below for precise times depending on your time zone, and for the email address you'll need to RSVP to, in order to receive the meeting link. We hope to see you there!!!

With gratitude for your partnership with me in the work of Bible translation,

Beth

*While Wycliffe Bible Translators is the mission organization I belong to, SIL is the organization to which I'm assigned for my work in CAR.
