### WSC Q. 50. What is required in the second commandment?

*A. The second commandment requireth the receiving, observing, and keeping pure and entire, all such religious worship and ordinances as God hath appointed in his Word.*

Obviously the second commandment forbids idolatry, but there is also a positive principle here. We are to receive, observe and keep pure our worship and those things commanded in the Word. We violate the second commandment when we neglect worship. We also do so when we neglect to grow in our understanding of the Word of God.
