WSC Q. 61. What is forbidden in the fourth commandment?

A. The fourth commandment forbiddeth the omission, or careless performance, of the duties required, and the profaning the day by idleness, or doing that which is in itself sinful, or by unnecessary thoughts, words, or works, about our worldly employments or recreations.

Is it a sin to daydream while worshipping? To be inattentive during Sunday school? Well, of course it is! Worshipping and serving God is what we were made for. It is the purpose for which we exist. The fourth commandment reminds us that we are to dedicate ourselves to this holy work with all our heart, soul, strength and mind.
