WSC Q. 5. Are there more Gods than one?

There is but one only, the living and true God.

We live in a pluralistic society that believes there are many paths to God. In fact, there are many gods! Whatever version of God (or no God) works for you. In contrast to this, the Bible affirms unapologetically that "The LORD, Our God, the LORD is one!" There is only one God: the one who called Abraham, who covenanted with David, who became a man in Jesus Christ, who reveals his plan of redemption for his people to know, love, and live forever with him.
