**WSC Q. 13. Did our first parents continue in the estate wherein they were created?**  
*A. Our first parents, being left to the freedom of their own will, fell from the estate wherein they were created, by sinning against God.*

What would have happened if our first parents had never sinned? Well...they never would have died! And world history would look quite a bit different. Why would God have put the tree of the knowledge of good and evil in the garden in the first place? Well, though Adam was innocent of sin at his creation, he was not yet mature. It is through temptation that he should have learned greater faith and obedience, but in his rebellion we have all fallen into a state of sin and death.
